

Join the Jewish Community for lighting the first candle this Sunday

This year the first night of Chanukah will fall on Christmas day, this Sunday, but the Temple Beth Israel invites all of the Jewish faith to join the community in a traditional Chanukah celebration. The lighting of the first candle and sharing some homemade potato *latkes* afterwards will take place at the synagogue on Lacle Boulevard at 7:00, Rabbi Marcelo Bater presiding.

This is always a wonderful event for all the family, and the Jewish community of Aruba hopes to share this joyous occasion with their island visitors.
